ABOUT COUNTY OF SAN BENITO

Located in California's Central Coast region, 130 miles south of San Francisco, San Benito County (pop. 62,808) maintains a rural feel while offering a strong sense of community and historic charm in the County's two incorporated cities and three unincorporated towns. The County encompasses almost 1,400 square miles and was formed from parts of Monterey County in 1874.

In February of 2013, the majestic mountains of Pinnacles National Monument were officially designated at the 59th National Park in the U.S. The County's emerging wine country offers highly acclaimed and award-winning wines set among the scenic landscape of the area. Home to mission San Juan Bautista, the County also offers the enjoyment of an array of outdoor recreational activities, Agri-tourism, public library, museums, art festivals and galleries.
